

Account Tree

Student Activity Fund
Software

Account Tree's software improves the management of Student Activity Funds for school districts by **empowering** teachers, coaches, sponsors, and students. Its intuitive interface facilitates the creation and management of activity funds while offering **real-time oversight** and **control** to the districts.

Benefits for Students & Schools

Easy-to-Use

Easy to learn, watch our 5-minute training video

Transparency

Allow Advisors & Students to view their funds

Financial Literacy

Students learn budgeting, payments, and more

Saves Time

Efficient and user-friendly

Final Approval

Electronic Approval process saves time & paper
